LANGUAGES KNOWN
English, Hindi

About Me
Acquired a reliable set of skills in C/C++ and Python programming language with a few trades in terms of my interests and endeavoring to explore more and grasp the hands-on experience of the developer's world. Apart from this, I have also developed verbal communication skills being a part of NCC and delivering presentations alongside.

PROJECTS

Login/Signup webpage using Python and Django
(CipherSchools, 06/21 –07/21)
- **Overview**: This project aimed to understand the working of Python and Django frameworks.
- **Description**: This project was designed using Python and Django. It focused
- on the designing of a smooth working login/sign-up system with a help or support option.
- **Learning outcome**: Learnt Python programming, Django skills, and database skills.

INTERNSHIP NAME: Sales and Marketing
(Supper77, 2020)
- **Overview**: This internship was based on the marketing of online courses.
- **Description**: In this internship, I worked with Supper77 as a team leader and
- had to sell online courses with them.

EXTRA-CURRICULAR
- Executive Intern of the week (2nd Runner-up) – Supper77
- NCC – B-Certificate holder
- EBSB – Ek Bharat Shreshth Bharat
